UMIAK 475

The Umiak 475 received the « Canoe of the year award » in 2019 at Paddle Expo Show. Its size (15’7 ft) is ideal for paddling solo (the seat can be positionned in the middle of the craft) or with crewmate or family on board, on rivers and lakes. Its dynamics are equal than rigid canoes on the water thanks to its very rigid aluminum 7070 frame. Stable yet easy to manoeuvre, its stabilairs give an extra buoyancy and elegant lines. The new sand colour makes a very beautiful boat on the water.

Assembly time: 20 min
