

DECK BAG WITH ZIP

What could be more practical than accessing your small belongings quickly!

The Nautiraid deck bag, with a capacity of approximately 15 litres, will fit on any kayak deck fitted with a lifeline.

Its double zip will allow you to open it in the direction you want.

4 elastic loops at the ends will allow you to fix your compass without difficulty.

Warning, this deck bag is not a waterproof bag! Don't forget to protect your equipment such as cameras and phones in appropriate waterproof pockets.
